- 5. Dormitory**
  - Once you are accepted to SeoulTech, your room will be guaranteed if you mark 'Yes' on Dormitory Request in your application.
    - Please note that room will be randomly assigned by the dormitory office. Although they take your request into consideration and will try to accommodate your request to the best of their abilities, **it is not always possible to assign your choice of room type.**
    - A dormitory will not serve you the linens, pillow and blankets
    - You can check-in the dormitory from **28 August 2019**
      - Officially all students should leave the dormitory until **20 December 2019**. But if you want to stay a few more days, you can ask your stay to the dormitory office directly.
    - Dormitory payment
      - After check-in, you will receive a bill from the dormitory office. You should pay the fees at NH Bank, which is located on our campus.
      - You can pay in cash but not by a credit card.
      - Dorm payments should be made in a lump sum at the beginning of each semester.
    - Tuberculosis Result - Health clearance form (Attachment)
      - For the safety of all residents of the dormitory, SeoulTech requires students to do tuberculosis test (you can get any

types of TB test among X-ray, blood test and skin test) and submit the result through

<http://for-a.seoultech.ac.kr/exchange> by **29 June**

- Please note that "Positive" means you have tuberculosis. Do not get confused with "positive" and "negative".
- Korean National Law states that all students that dorm in Korea must submit TB test results for every period that they plan to reside in the dorm. No exceptions can be made as it is National Law.
- Only test results dated after 1st. July 2019 are valid. Without the TB test result, you can not stay in the dormitory.
- It does not matter the type of test(Blood test, Skin test, X-ray test). Anything is possible.

**How to get to the SeoulTech yourself**

- If you wish to move to SeoulTech by taking public transportation such as airport limousine bus (Bus Number: 6100 Jungnang/Surak), it will cost KRW16,000 and take about 80 minutes.

## 7. Visa

Please upload your copy of Visa until **29 June 2019**

○ Apply for a student visa (D-2)

- A student visa (D-2) is required to study in Korea if a student is not of Korean nationality. In most cases, exchange students can acquire their D-2 visa easily when they present their Certificates of Admission issued by the host university to the relevant passport officials in their home country.

- Please contact your nearest Korean Embassy or consulate for more detailed information on the visa application process.
- Be aware that students cannot change their visitor visa to a student visa in Korea. You should apply for a student visa (D-2).

[ Example of copy of Korea Visa]

## 8. Insurance

Insurance is Mandatory !

- Non-local students are required to have suitable and adequate insurance for the entire period of their study at SeoulTech. The insurance should cover but not limited to travel, personal accidents, medical expenses (accident and non-accident), hospitalization and emergency evacuation/repatriation.
- If you don't submit the insurance waiver form by **29 June 2019**, you will be automatically enrolled into SeoulTech insurance plan.
- It provides relatively basic coverage such as personal accident and medical benefits. The SeoulTech insurance plan begins on the first day of your studying period.
- Payment should be done on the start date of the semester. The cost will be about USD 90 per semester.
  - Insurance terms, conditions and premium of the insurance plan are subject to annual review without prior notice.

Insurance Wavier Form (Attachment)

- If you have private insurance coverage comparable to the university plan (Your need to make sure your insurance covers you outside the home country), then you are eligible to request a waiver of the student insurance. Please submit a certificate of insurance **29 June 2019** through <http://for-a.seoultech.ac.kr/exchange> Otherwise you will be automatically enrolled in the SeoulTech health insurance plan.
